

LIFE Community Church Mission Convictions

At LIFE Community Church our mission statement is, “together in Christ, sent to everyone.” We also want to be known for embodying a “with you, for you” mindset as we seek to reach our neighbors and the nations with the Gospel. As Life Missions, we hold to these ten convictions that help guide our decisions and strategies in accomplishing the mission and vision of our church.

Conviction #1:

God desires to see His glory spread among all nations. It is the desire of LIFE Community Church to join Him in this pursuit by prioritizing the glory of God in all aspects of our mission efforts locally and globally.

Conviction #2:

Prayer is a vital work in the spread of the Gospel to all nations. We seek to lead our church in praying faithfully for the lost and unreached of the world to come to know Jesus. We commit to pray for the work of our mission partners around the world.

Conviction #3:

We want to help people know Jesus. The mission efforts of LIFE Community Church will prioritize the proclamation of the Gospel. We seek to strategically reach the lost through mission trips, evangelistic events, relational evangelism, planting churches, supporting missionaries and ministries, and partnering with Kingdom-minded people and organizations. We desire to equip LIFE Community Church to share the gospel locally, nationally, cross-culturally, and globally.

Conviction #4:

We want to help people grow in Jesus. The mission efforts of LIFE Community Church will prioritize making disciples and encouraging believers.

Conviction #5:

We want to help people go in Jesus’ name. The mission efforts of LIFE Community Church will prioritize mobilizing people into missions. We celebrate and value sending people out of LIFE Community to serve the Lord wherever He has called them and will prioritize caring for and supporting them as they go and as they return.

Conviction #6:

We desire to bring awareness and exposure to LIFE Community Church of the need for the Gospel in the world and of God’s activity in the world through trainings, resources, classes, and discipleship.

Conviction #7:

We desire to equip LIFE Community Church multiply disciples, churches, and missionaries.

Conviction #8:

We believe that spiritual formation leads to missional engagement. We will prioritize the spiritual growth and discipleship of those in the church which will lead to more people stepping out in obedience to go.

Conviction #9

We seek to increasingly engage places in the world where there are a lack of missionaries, churches, or church planters. We desire to engage the lost, unreached, and unengaged with the Gospel.

Conviction #10

We believe that every member of the church has a role to play in the mission of God. We want to leverage the giftings, skills, and talents of the body of Christ as we pray, give, go, welcome, and send.
