Then, at mid-level, they are hoping that the Lord will allow them to be directly involved in a church plant in the city of Constanta, in a neighborhood that doesn't already have an evangelical church. ### **Jeremy and Silvia Frank**

- Jeremy and Silvia have a heart for the Spanish people and have found through the years of ministry both growing up in Spain and full time in ministry that one of the most successful ways for the church to reach the Spanish people is through camping. Spaniards love the outdoors and love going to camp. They worked in camps most of our lives and have seen the Lord do amazing things through camping. Back in 2019 the Lord led them to start the ministry of NEXT-TO. Their heart is to serve, encourage, and equip Christian camps and Church leaders for the growth of the Local church in Spain. They want to walk alongside camp leaders to help them in any way possible to be a ministry that acts as a bridge between the world and the church. There is so much potential in the ministry of camping but in many situations these leaders are all alone and overloaded. Jeremy and Silvia want to step in and help in order to see more come to know Jesus in a personal and direct way.
